

Express Service Terms & Conditions

30th May, 2019

1. When these Terms and Conditions apply

1.1 Application of Terms and Conditions

All bookings for Express Fares are subject to the following Terms & Conditions.

For Snow Fares Terms & Conditions, [click here](#).

These Terms and Conditions cannot be varied by any of our employees, agents or other personnel or representatives. However, this does not affect our right to waive any fare rule or amount payable. A waiver on one occasion does not constitute a waiver on any other occasion.

1.2 The Australian Consumer Law

These Terms and Conditions do not limit certain guarantees and rights for consumers that exist under the Australian Consumer Law, as contained in Schedule 2 of the Competition and Consumer Act 2010 (Cth).

Services provided in Australia (including our services) come with the following consumer guarantees that cannot be excluded under the Australian Consumer Law:

- guarantee as to due care and skill;
- guarantee as to fitness for a particular purpose; and
- guarantee as to reasonable time for supply (if no time is specified).

Where we fail to provide services to you in accordance with these consumer guarantees, you may have a right to seek a remedy in accordance with the Australian Consumer Law.

2. Fares

2.1 Fare types

We offer a range of different fare types that are subject to different fare rules. Subject to any applicable law such as the Australian Consumer Law, some fare types may be unchangeable.

All concessional fares (including pensioner, seniors and student) are issued subject to the terms and conditions of the purchased ticket type.

We offer the following fare types:

If no other discount fare is available, a change of booking fee of \$10 per person per trip will be payable (together with the difference in fare price). Should you wish to make a change over the phone, an additional transaction fee of \$5 will be payable.

Fully Flexible: Tickets purchased in this fare category are changeable, provided such change is made 30 minutes prior to

the original scheduled departure time. Changes can be made via the internet or at our Booking Office for no additional fee or by telephone (additional transaction fee of \$5 applies).

Changes to another service are subject to seat availability at the time of making the change. Passengers must nominate their new date and time of travel at the time of making the change. Changes cannot be made to a booking where you have arrived after your original scheduled departure time as your ticket will be forfeited. Our services operate subject to passenger demand and availability and we may change the scheduled departure time as shown on your Ticket as necessary. If a change is made to the scheduled departure time, we will use our reasonable endeavours to let you know about any changes.

In any event, prior to your trip, you should check to ensure your departure time has not changed.

Factors that may be relevant in this regard include the reason for any delay or cancellation, the length of any delay, any advance notice of the delay that was provided to you, and whether we remedied the delay or cancellation, for example by placing you on a similar service within a reasonable time (depending on the circumstances).
